

TOMBAKE 150 Lt WATER CHILLER

FEATURES

Wall mounted rapid water chiller, equipped with remote control panel: possibility to programme water temperature and quantity of liters requested. The main feature of this machine is the high performance in fast water chilling: 50 liters every approx. 20 minutes, from +18°C down to +3°C (with room temperature of +32°C).

An absolute innovation in the Tecnomac water chillers range is represented by the heating function (optional), which means the possibility to bring the water temperature up to approx. +30°C, to satisfy the most varied needs when preparing dough. It is particularly indicated to all users who want high performances having little spaces.

TECHNICAL SPECIFICATIONS

ELECTRIC POWER	400 V 3 N 50Hz
ABSORBED POWER	2000 W
WATER TANK & COOLING COIL	AISA 304
CONTROL PANEL FUNCTIONS	Temperature Regulation Water Discharge Warm / Cold Water Selection (optional)
STANDARD FITTINGS	Bracket for wall mounting Discharge pipe (5m) with "U" shaped terminal for dough mixer
NET WEIGHT / DIMENSIONS	130 kg 1200 W x 600 D x 600 H

Note: We reserve the right to both technical, as well as design modifications.
