The Diablo Charcoal Oven is a locally manufactured Charcoal Oven that give you time efficient cooking in a heat controlled closed environment.

You can create a quality meal in 30% less time than with conventional ovens with a delicious smoky flavour throughout.

The oven is lined with cast iron plates to ensure even cooking and retain the temperature

The top cast iron plate is perfect for the 'au gratin' effect (Pizza's, Prawns etc.)

Bottom grid is used for your grilling and searing as the heat is most intense nearest the coals.
